Please return all forms by January 6, 2021 to:

Macon County High School
611 Vienna Road
Montezuma, GA 31063

Student Name:		Grade:
Parent Name:		
Street Address:		
City:	Zip:	
Parent Email:		Phone:

Please Check One Option:

Option 1

My child will return to Face-to-Face instruction beginning January 12, 2021.

Option 2

My child will continue virtual learning using **Odyssey Ware/USA Test Prep/IXL or Learning Packets for Pre-K Students Only**. I understand that my child will receive instruction and grades from the online courses and that I must attend the mandatory training for virtual learning.

Parents that select Option 2 understand that **Odyssey Ware/USA Test Prep/IXL** will be the teacher of record. Only Pre-K will have learning packets. Students must log in daily and complete all assignments. All assignments and grades will come from these platforms. An employee will be assigned to re-open tests/assignments and monitor student progress. Students will no longer be enrolled in the face-to-face course.

Attendance will be taken for all students daily. Students must attend class at the assigned time listed on the schedule to be marked present. Students in grades:

Pre-K - 2 will use USA Test Prep and IXL or Learning Packets (Pre-K ONLY) for instruction.

3-12 will use Odysseyware for instruction.

Parents who select this option will be required to participate in the remote learning training along with their student(s). Students must remain in the remote setting for a grading period. K-8 (9weeks) and 9-12 (18 weeks/2nd Semester).
